TERMS AND CONDITIONS

Age requirement: Applicants must be at least 16 years of age on the first day of the program.

Photo release: Students agree to allow photos and video taken during the program to be used for publicity purposes.

Course confirmation and payment: All tuition and fees must be paid in full before the start of this program at Indiana Tech. Upon receipt of your application and deposit, we will send you a letter confirming your acceptance. Application and deposit deadline is June 1, 2017. Payment may be sent by any of the following: international money order, electronic bank transfer (wire transfer), credit card and peer transfer. We cannot process your application unless we receive your deposit. **The program fee is \$2,400, and it includes lesson fees, room and board, trips and excursions.**

Deposit: A non-refundable deposit of \$250 is required with your application. This deposit will be used toward the program fee. The deposit can only be refunded when visa denial occurs. The deposit deadline is June 1, 2017.

Medical insurance requirement: The school does not provide medical insurance. However, we strongly recommend that you purchase medical insurance for travelers to the United States, or that you ensure that your current policy in your country is also valid in the United States. You should do this before departing your country. Medical treatment in the United States can be very expensive. You are responsible for any medical expenses incurred, so please be sure that you review the terms of your insurance policy, including covered services, deductibles, co-payments, length of coverage, etc., prior to arrival. Please contact us if you would like our assistance regarding insurance provider options in the U.S.

Airport pickup from FWA: Please send us your flight information as soon as possible. If you are requesting airport pickup, please arrive to the Fort Wayne International Airport (FWA) on July 8 or 9, 2017.

U.S. visa assistance: It is the responsibility of the students or the student's parents/guardians, to contact their local consulate (or other appropriate office) in sufficient time to obtain any visas/entry documents for visiting the United States. Our Summer Camp Program does not require students to enter the US on a student (F-1) visa, so we will not issue a Certificate of Eligibility (Form I-20) to participants. According to U.S. Department of State, we recommend students apply for a Tourism and Visit (B-2) visa. For more information about visas and travelling to the United States, please visit the following website: <https://travel.state.gov/content/visas/en/visit/visitor.html>

Housing and meal plan: The cost of housing and meals are included in the program fee. Each of our housing facilities has a slightly different style and layout. The room assignment will not be made until the \$250 deposit is received. Housing is available from the night of July 8, 2017 until the morning of July 29, 2017.
