Tuition and housing deposits are non-refundable after May 1.

- \*

A tuition deposit is paid prior to first semester of enrollment and is deducted from tuition costs the first semester. An annual textbook rental fee is included in your tuition rate. Students who want to keep their books for future reference will be billed at the end of the semester.
- \*\*

Paid prior to first semester of enrollment. Pierson Hall and Kalbfleisch Hall are typically filled with freshmen and students new to Indiana Tech. Assignment priority is based on the date of which the housing application, tuition deposit, and residence hall deposit have been received.
- \*\*\*

All first-year freshmen are required to take a full-meal plan if living on campus. Individual meal plans are available and can be purchased by commuter students. Interested students should contact Student Financial Services.
