

## Understanding 'Let Me In' – Indiana Tech Student Login Portal

When you first register as a student at Indiana Tech, you'll receive a Welcome Email containing your Indiana Tech username, email address, and an initial password. This login information grants you access to 'Let Me In' - Indiana Tech's self-service password portal and single sign-on platform.

### What is 'Let Me In'?

'Let Me In' is a secure portal where you can manage your Indiana Tech account password and gain one-click access to multiple university systems. Once enrolled, you can log in to services like WarriorsConnect, Email, Microsoft Office, Canvas, and more—without needing to sign in separately for each one.

### How to Access 'Let Me In'

1. Go to Indiana Tech's main website: [https://www.indianatech.edu/?logged\\_in](https://www.indianatech.edu/?logged_in)
2. Click on the 'Students' tab in the top navigation menu.
3. In the list of available resources, you'll see options such as:
  - Canvas
  - Office 365 (Outlook)
  - My Indiana Tech ([www.my.indianatech.edu](http://www.my.indianatech.edu))
  - **Let Me In**
4. Click on 'Let Me In' to open the portal.

### Information in Your Welcome Email

Your Welcome Email will include:

- Your username
- Your Indiana Tech email address
- Your initial password

Use this information to log in to 'Let Me In' for the first time and enroll in the platform.

### Benefits of Using 'Let Me In'

- Easily reset or change your Indiana Tech password
- One-click access to multiple student services
- Secure login for all university systems
- Centralized access to resources, saving time and improving security

### Need Help?

If you encounter any issues accessing 'Let Me In', please visit the IT Service Desk page on Indiana Tech's website for assistance.
